

THE RYAN CASE WILL BE HEARD

Judge Waddill to be in Norfolk
To-Morrow.
WAITING ON WESTERN OFFICIALS

Dutton Will Not Be Sent to Chicago
Until the Indictment Is Received—List of the Federal Grand Jurors.

The case of Ryan against the Seaboard Air Line will be heard by Judge Waddill in Norfolk to-morrow.

Thomas P. Ryan, a New York millionaire, has for several years been almost continuously the complainant in proceedings in Federal courts against the Seaboard. When he loses one case, he institutes other proceedings. The last case was heard in Richmond last spring. Mr. Ryan lost. Now, he wishes to present new proceedings. Able and distinguished counsel are engaged on both sides.

Among the Richmond lawyers employed are Messrs. Henry & Williams, Edgar Allan and Judge L. L. Lewis, of Richmond, for the Seaboard Company. Several attorneys from New York, Baltimore and Norfolk will be present as counsel.

The Dutton Case.
Judge Waddill will not issue an order for the removal of Wm. B. Dutton from the jail at Newport News to Chicago, until he receives a copy of the indictment against the man.

This paper has not come nor have the Federal authorities any information from the Windy City that the man is wanted there.

It will be remembered that Dutton was arrested at Fort Monroe Saturday on a warrant sworn out by a Pinkerton detective, charging him with embezzling \$10,000 from a Chicago bank.

The man, it is said, is willing to return without even waiting for a requisition. Judge Waddill is very careful about these matters, and he will not issue the order for the removal of the man until satisfied that there are good reasons for sending him to Chicago.

The Jurors Summoned.
The following persons have been summoned to serve on the grand jury of the United States District Court, which convenes next Tuesday:

SUDDEN ILLNESS

Caused Alarm, but Turned Out to Be Malarial Fever.

The sudden illness of the Howie family, consisting of Mrs. James Howie and James, Bessie and Arthur Howie, of No. 412 South Belvidere Street, caused some slight stir in the neighborhood. At supper Friday night the family included in seemed salmon, and Saturday morning the four above named were taken suddenly and seriously ill. Nothing was thought of the matter at the time, but Sunday Mrs. Howie and her eighteen-year-old son James, were taken seriously sick.

TENTH ANNIVERSARY.

Tin Wedding Celebrated—The News in Henrico.

Mr. and Mrs. L. S. Cease celebrated the tenth anniversary of their marriage Monday night at their residence on Chestnut Hill.

Mr. D. L. Temple was yesterday morning appointed secretary of the lower district of Henrico county by Mr. Henry Hechler, chairman of the Board of Supervisors. Several bids for the similar position in the upper district were considered, but Mr. Hechler delayed his appointment for a few days.

The County Court adjourned yesterday for the term.

The case of Robert Shope was tried

INTERESTING, IF TRUE.

You Can Try It For Yourself and Prove It.

One grain of the active principle in Stuart's Dyspepsia Tablets will digest 3,000 grains of meat, eggs or other wholesome food, and this claim has been proven by actual experiment which anyone can perform for himself in the following manner: Cut hard boiled eggs into very small pieces as it would be if masticated, place the egg and two or three of the tablets in a bottle or jar containing warm water heated to 98 degrees (the temperature of the body) and keep it at this temperature for three and one-half hours, at the end of which time the egg will be as completely digested as it would have been in the healthy stomach of a hungry boy.

The point of this experiment is that Stuart's Dyspepsia Tablets will do to the egg in the bottle it will do to the egg or meat in the stomach and nothing else will rest and invigorate the stomach so safely and effectually. Every little child can take Stuart's Tablets with safety and benefit if its digestion is weak and the thousands of cures accomplished by their regular daily use are easily explained when it is understood that they are composed of vegetable essences, aspeptic, pepsin, diastase and Golden Seal, which mingles with the food and digest it thoroughly, giving the overworked stomach a chance to recuperate.

Dieting never cures dyspepsia, neither do pills and cathartic medicines, which simply irritate and inflame the intestines. When enough food is eaten and promptly digested there will be no constipation, no flatulence, no indigestion, no heartburn, no acid, no gas, no pain, no sickness, no nervousness, no headache, no dizziness, no general debility, no loss of sleep, no loss of appetite, no loss of weight, no loss of strength, no loss of vitality, no loss of life.

For the information of those interested a little book will be mailed free by addressing F. A. Stuart Co., Marshall, Mich., giving briefly the symptoms of the various forms of stomach weakness, causes and cures.

Yesterday morning before "Squire George W. Thomas" and was continued until Thursday.

NEWTON-BARKSDALE.

Noteworthy Wedding Yesterday Morning—Coming Weddings.

Miss Mary E. Barksdale and Mr. Virgilus Newton were married yesterday morning at 8:30 o'clock in the chapel of Holy Trinity Church. The church was tastefully decorated, and only the immediate friends of the family were present.

Mr. George Barksdale, uncle of Miss Barksdale, gave the wedding away. Rev. J. J. Gravett performed the ceremony. The marriage party left yesterday morning at 9 o'clock over the Richmond, Fredericksburg and Potomac railroad for an extended tour in Canada.

The bride was tastefully attired in a traveling suit.

Mr. and Mrs. Newton are both prominent in Richmond's social circles.

Mr. and Mrs. George C. Smith, of Atlantic, Hanover county, have issued invitations to the marriage of their daughter, Belle, to Mr. W. Parker Stubbs, to take place in this city on October 30.

Mr. Stubbs, formerly of this city, is a member of the firm of Wood & Stubbs, seedsmen, Louisville, Ky., and has a host of friends here.

Marriage licenses have been issued in Washington to Joseph D. Briggs and Ella D. Priddy, of Richmond; Harry Gordon Smith, of Newport News, and Miss Maggie Palmer, of Richmond.

Wallace's Circus Reputation.

The Great Wallace Shows, which do not exhibit in Richmond until Friday, October 13, has an unbroken record for giving satisfaction everywhere. Instead of being disappointing to the people, the circus has been a great success. The four daily papers made very favorable lengthy mention of the Wallace Shows when they exhibited there last year. We quote the sentence giving the gist of each comment.

The Record said: "The Wallace circus which exhibited at West Side Park was a surprise in cleanliness and interesting acts. The performance from beginning to end was clean and interesting. The treat of the performance was by the Nelson family, nine in number. There was not a stick among them, and acts of a seemingly impossible physical nature were demonstrated by these remarkable people."

The Leader said: "A big parade followed by a fine show. The stock of horses, animals and even in the neat and cleanest ever seen in this city."

The Daily Times said: "Certain it is that a better exhibition, judging from the point of real merit, has never been witnessed at West Side Park. Circuses generally put on a superabundance of trills, the majority of which are displayed on the bill-board, but the Wallace people demonstrated that their show is not all on paper, but that they give not only all their advertisement, but considerably more."

The Daily News commented with these words: "Many good features, the greatest acrobatic work ever seen in this city, splendid aerial work and exciting racing."

The above quotations about the Great Wallace Shows are taken in tone as they are made by the press of every city where it exhibits.

The Wallace Shows will not exhibit here until Friday, October 13.

NO COMPLAINTS COULD BE MADE

Everybody Felt Pleased in the White Chamber.

BAILIFF LARRY HAD A CHANCE.

Charles Anderson Saw Ten Years at Least Ahead of Him, but the Clouds Have Disappeared.

Nobody could complain of harsh treatment at the hands of the Great Dispenser in the White Chamber yesterday. He was as mild as a Sahara cigar and as gentle as the mother-in-law of a wealthy bridegroom. Nobody kicked and no furniture was broken, and Bailiff Larry had a chance to take his usual nap.

John Thomas was charged by Mamie Fraser with beating her, and John humbly acknowledged the corn and deposited the usual fee of \$10 for such an offense.

S. W. Troit said he took a few drinks too many, and ten days was his allotted portion.

Charles Anderson (colored) found himself in hot water. He was charged by Mr. Clapton with being drunk, and valued at \$10, that did not belong to him, and an installment man accused him of securing a picture on the installment plan, under false pretenses.

IT LOOKED BAD.
It looked bad for Anderson on the start, but his trouble dwindled away as the case progressed, and it turned out that there was nothing criminal in the picture case, resulting in the payment of costs by the installment man, and the wagon case also assumed a doubtful front, and that was laid over until to-day to give Anderson a chance to procure witnesses.

Walter Brown, a colored man, was assessed \$2.50 for cruel treatment of a horse. The evidence was meagre and did not show that pronounced cruelty was practiced.

Rebecca Coleman, Ida Pell, Lena May, Belle Taylor and Lella Davis, all colored, were charged \$2.50 each for being on the streets at a late hour and for disorderly conduct.

Jim Young (colored) was charged with threatening to kill Charles Carle. There was an absence of witnesses and the case went over for one day so they could be present.

POOR DILAPIDATED WOMAN.
Unity Ann James, a poor, dilapidated colored woman, had tears in her eyes when she protested that she did not steal 15 cents from a man who had failed to appear after having her arrested. The woman said she had touched the tender spot in the make-up of the Great Dispenser and he told her to depart, which she did with profound thanks.

H. C. Epps, a strapping young fellow, who says he came from Lynchburg, and is being held as a suspicious character, will continue to abide with City Sergeant Smith for another week.

Epps says he is ignorant of the reason for his detention.

COUNTERFEIT MONEY.

Some "Queer" Bills in Circulation in Richmond.

A number of Richmond firms have received in the last few days counterfeit notes which are supposed to have been made by some person operating in this locality. The work is nicely executed, and being on genuine paper would not attract unusual suspicion.

The notes which have come to notice were two dollar bills, which have been raised to ten by the hand of an expert. The face of George Washington on the two-dollar note was changed to that of Daniel Webster, and all the figures on both sides of the notes changed. The work seemed to be done with Indian ink and a pen, and upon close examination shows the hand of an expert penman.

Richmond Academy Meets.

In the president's absence, Dr. A. C. Palmer, first vice-president, last night called to order the regular semi-monthly session of the Richmond Academy of Medicine and Surgery. A committee of three was appointed to investigate alleged violations of the medical laws of the State. The program was a most interesting one, and the fall and winter sessions promise to be well attended.

Lee, who with a party of young ladies, former students of the Richmond Female Seminary, has been traveling for three months in Europe, has returned to the city, and will begin her duties as teacher in the above school on Thursday.

Alleged Shop-Lifters Arrested.

James Elam and E. O. Barlow, colored, were arrested yesterday afternoon, when it was claimed they were helping themselves to whatever struck their fancy. A pocket-knife and a box of garters were found in their possession. They will come up before Justice Crutched to-day.

Woman Cut.

Lucy Davis and Eliza Payne had some dispute on Second Street last night about 11 o'clock, which resulted in Lucy's getting cut over her left eye. The wound bled profusely, until the arrival of the ambulance, when she was treated by Dr. Gillis and left.

Mr. Ruffin's Funeral.

The remains of Mr. Routhae Ruffin, who died a few days ago in Duluth, Minn., reached Richmond at 3:30 o'clock yesterday afternoon, and at 5 o'clock were interred in the family section in Hollywood, with simple services at the grave.

To Wed To-Night.

Mr. J. T. Anie and Miss Mary S. Throckmorton will be married to-night at 9 o'clock at Denny Street Methodist Episcopal Church. A reception will be given at the home of the bride's parents in Fulton at 9:30 o'clock.

ON A LONG WALK.

"Dakota Bob" Is Trekking Toward the City of Mexico.

"Dakota Bob," the world-renowned rough road pedestrian, is in Richmond again and is stopping at Murphy's Hotel. "Bob" is walking on a \$3.00 wager from New York to the City of Mexico, and return. He left New York on August 24th, and is scheduled to return to that city on April 1st, 1901. This is his fifth trans-continental walk, and he expects to win out. His last walk was from Portland, Oregon, to Portland, Maine. His backer is the well-known sporting man, Billy Lee of New York, who will next year take him to Paris to compete with the champion walker of that country.

The wager of \$3.00 is between Billy Saunders, of Palmyra, and Joe Mills, of San Francisco. "Dakota Bob" is no relation to "Topsy Joe." He was at Cornell in his youth, but preferred the life of a miner, cowboy and stage-driver to that of a collegian, and in 1891 was a special messenger for Gen. Miles in the Sioux outbreaks. He was born in Buffalo in 1858, and is personally acquainted with many leading people throughout the country. "Bob" will stay here a day or two, and will then go to Petersburg, and thence to Mexico.

DIVING ELEPHANTS.

Famous Hagenback Herd Now With the Robinson Circus.

At the great water carnival in Germany every year the feature of the festival is always furnished by Hagenback, the world famous dealer in and trainer of animals. Residents of this country, who have travelled on the other side, know that Hagenback, as an amusement caterer, is to the old world what John Robinson is to the new. Just two months ago John Robinson, the acknowledged king of showmen, purchased a herd of four educated elephants. Their act is now a feature here in Richmond, Monday, October 1st. In case the proper arrangements can be made, the act of the big show, who is now in the city, will have the elephants marched to the James River Sunday afternoon, and they will be allowed to bathe to their hearts' content.

Turns Pale Checks to Pink.

Our best physicians of the present day seek to cure patients by the use of food, rather than heavy drugs, and this is the true method, for all physicians agree that only from food can the body be rebuilt.

Many people fail to give their physicians credit, for after living on poorly selected or badly cooked food for a long time, perhaps, and when their ailments become chronic, they expect the Doctor, with some magic potency, to instantly rebuild them.

This is not possible. The only true method is to turn as quickly as can be, from poor food to good. A young lady, Miss Anne Hendricks, employed at the corner of Fourth and Race streets, Cincinnati, O., says: "I was variously treated for my nerves, muscles, lungs, etc., but none of the treatment gave me relief from the pains."

"About a year ago my appetite failed completely and I began to have sinking spells similar to fainting, then I took all manner of tonics and stimulants, but they were of no effect. I had been brought to quite drinking coffee after taking Postum Food Coffee in its place, and gradually began to get a little better."

"Someone suggested that if I found Postum Food Coffee so beneficial I had better use Grape-Nuts food, as they were both the children of one brain. I commenced on Grape-Nuts food for breakfast, having Postum Food Coffee with it. I found the food so dainty, delicious, and appetizing, that I always looked forward to breakfast with pleasure."

"Shortly after commencing this diet, my wretched pain in the side was greatly improved, and now, a year later, it has gone entirely, also the sinking spells. In fact, my pale cheeks have changed to pink. I have gained back more than the twenty pounds I lost, and am thoroughly well in every way."
